

THREE RIVERS DISTRICT
SPOUSAL AWARD
NOMINATION FORM

This is an award for a non-Boy Scout registered individual. This award may go to a spouse that has unselfishly helped, allowed, encouraged, backed, pushed, accompanied, and/or supported his/her registered spouse to do the most for scouting even in the midst of having to handle chores and responsibilities the registered Scouter would have accomplished, had he/she not volunteered to serve scouting. The non-registered individual may be a very "behind the scenes" person not seeking any recognition, just backing the scouting spouse in all that they may do for the scouting program. There are as many people deserving of this award as there are Scouters. The nominators need to state the reasons the spouse should be recognized with this award.
